ADDITIONAL COMPENSATION

Geneos has established relationships with other, non-affiliated investment advisors through which we will act as a solicitor and Chris Draughon has the ability to refer you to the other investment advisors' management programs. When acting in this solicitor capacity, we receive a portion of the fee you pay to the other investment advisors.

When referring clients to third party money managers, Geneos receives a portion of the fees generated from the referral. Since each money manager has a separate agreement with Geneos, each agreement will have a different percentage of the fee paid to us. That fee is shared with your representative. This provides an incentive for representatives to recommend one money manager over another one.

Certain product sponsors provide Chris Draughon with other economic benefits as a result of him recommending or selling the product sponsors' investments. The economic benefits he receives from product sponsors can include, but are not limited to, financial assistance or the sponsorship of conferences and educational sessions, marketing support, incentive awards, payment of travel expenses, and tools to assist him in providing various services to clients.
