OTHER BUSINESS ACTIVITIES

Jeff Helms is also a registered representative of Geneos in its capacity as a broker-dealer. If you elect to have Jeff Helms implement the advice provided as part of the financial planning or consulting services, this is done in his separate capacity as a registered representative of a broker-dealer. Jeff Helms could receive fees for the advice and could also receive commissions, including 12b-1, annual marketing and distribution fees for implementing the recommendations in this separate capacity. It provides incentive to recommend investment products based on the compensation received, rather than on your needs. You are not obligated to implement the advice provided by Jeff Helms or to implement transactions through us as a broker-dealer. You are free to select any broker-dealer or registered representative to implement the recommendations provided by Jeff Helms.

Jeff Helms is also an independently licensed insurance agent. If you elect to purchase insurance products through Jeff Helms in this separate capacity, he earns commissions. Jeff Helms could receive fees for the advice and also receive commissions for implementing insurance transactions. You are not obligated to implement the advice provided by Jeff Helms or to implement transactions through him in his separate capacity as an insurance agent.

Jeff Helms engages in the following investment related activities outside of his relationship with Geneos, which presents a conflict of interest:

- Jeff is a Board Member with the Board of Trustees for the St Augustine General Employees' Pension. He spends approximately 2 hours per quarter reviewing the investment managers' performance for the plan.
- Jeff is an Industry Arbitration Panelist for FINRA, the Financial Industry Regulatory Authority, Inc.

If you elect to implement Jeff Helms's advice, he has the ability to waive or reduce the financial planning or consulting fees as a result of asset management fees, securities commissions and/or insurance commissions that he receives in his separate capacities.

ADDITIONAL COMPENSATION

Geneos has established relationships with other, non-affiliated investment advisors through which we will act as a solicitor and Jeff Helms has the ability to refer you to the other investment advisors' management programs. When acting in this solicitor capacity, we receive a portion of the fee you pay to the other investment advisors.

When referring clients to third party money managers, Geneos receives a portion of the fees generated from the referral. Since each money manager has a separate agreement with Geneos, each agreement will have a different percentage of the fee paid to us. That fee is shared with your representative. This provides an incentive for representatives to recommend one money manager over another one.

Certain product sponsors provide Jeff Helms with other economic benefits as a result of him recommending or selling the product sponsors' investments. The economic benefits he receives from product sponsors can include, but are not limited to, financial assistance or the sponsorship of conferences and educational sessions, marketing support, incentive awards, payment of travel expenses, and tools to assist him in providing various services to clients.
